Hello Claire

The documents for the inquiry are now all online at:

https://www.essexhighways.org/getting-around/opposed-orders

Please publicise as you see fit. The formal order for the inquiry will probably be published in January.

Dear Councillors

This will be on the agenda for our meeting on Monday 8th January. Documents all now posted on the https://www.essexhighways.org/getting-around/opposed-orders web page. I have read the majority of the comments & signatories of the petition and I note that some petition entries look as if they come from outside the parish, which I suspect was to do with the IP address used when signing. I will check through these against the electoral register (I have recently received the latest version) before the public inquiry so we have a record of how many signatories currently live in the parish, and make an estimate of how many are residents close by who would be likely to regularly use the footpath - this will be a bit of a guess but some we will know are part of the village even if they aren't on the electoral register.

I will publish the link to the documents on the Parish Council website. I think due to the strength of public interest it would also be appropriate to post on the Parish Council Facebook page (and share on the village page if someone else doesn't beat me to it!)

Kind regards

Claire

Hello Claire

I cannot think there is anything else you need to do and thank you for publicising the documents.

I would be grateful if you could ask any members of the public not to contact us as the matter is now with the inspector and any and all issues/objections will now be dealt with at the inquiry.

Regards
