Hello Claire

Thank you for taking my call just now.

We plan on running a story tomorrow (Thursday) afternoon about the diversion of the footpath that runs across land that we understand is owned by the same people who own Rusley Green Farm.

We'll be speaking to a local resident who isn't happy about this proposal.

It's only right that we extend an offer to the owners of the land to an interview on the radio about why the proposal has been made and why they wish to move the footpath. If they would be able to get in touch we can make the necessary arrangements.

My number is 01245 616066 or they can contact me by email owen.ward@bbc.co.uk

If you would be happy to pass on our request to them, that would be really appreciated.

Many thanks for your assistance.

Dear David

Please see the email below - BBC Essex found my number on the Castle Hedingham Parish Council website and called me late this afternoon asking for your contact details. I told them the best I could do was pass on any relevant information. So here it is - and I can confirm that this is not something the Parish Council is involved in.

With kind regards

Claire
