

Who will carry out the works and why?

The works are being completed by [Barkemp Construction LTD](#) on behalf of Waters Project LTD and with the knowledge of Essex.CC.

Useful telephone numbers for the works:

Your feedback on how these works are being carried out will help us to continue to improve. You can do this by the contacts below.

 Pre-works info: **07445 949 793**

 info@barkemp.co.uk
 07445 949 793 (Monday to Friday 8am to 6pm)
 Contact Centre, Access 4:20, Unit 10, Bellingham Way
Aylesford, Kent ME20 7HP

 24 Hour Traffic Management hotline: **Apex 07951 366 585**

 In-work enquiries: **07876 835 697**

Please quote: [Burnham/s278 Works - 2](#) on any feedback you give.

Keep up to date:

Online, please search for: [one.network](#) (it's a U.S site) where there will be information on any changes to this work.

Once on the page click the UK option on the top left of the screen. Then on the right side choose the 2-week option & use the search box for the location you need to check.

This will only start to show our works within a two-week period of the start date of the works.

There is an app for your phone as well, if you prefer.

Please keep this information leaflet in a safe place so you can refer to it.

BARKEMP CONSTRUCTION LTD
GROUNDWORKS AND CIVIL ENGINEERING

ADVANCED WARNING of ROAD WORKS

Monday 20th March to Sunday 6th August (20 Weeks)

Including:

From Monday 8th May to Sunday 4th June:
[The top junction of Ferry Road will be closed](#)
(4 weeks)

From Monday 24th July to Sunday 6th August:
[Maldon Road – night-time road closures](#)
(2 weeks)

BARKEMP CONSTRUCTION LTD

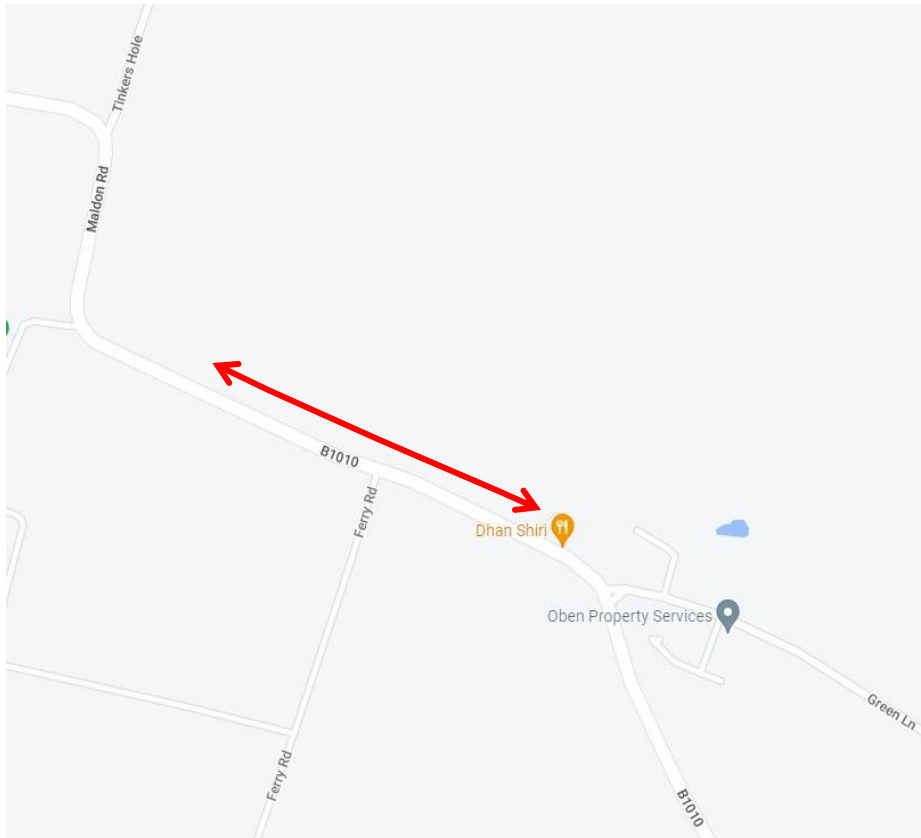

Start date: 20th March for 20 weeks

Working hours:

Weekdays: 08.00-17.00

Saturday: 08.00-13.00

Main closure night works: 20:00-06:00

The red arrow on the map indicates the extent of the works.

The construction will be undertaken using two-way temporary traffic lights which will be in use 24/7 for the works. There will be a period when the two-way temporary traffic lights will have the junction of Ferry Road closed as well.

At the end, there will be a night-time road closure (20:00-06:00) in place to complete some of the more challenging works – signage will be out nearer the time.

Information for residents and businesses

The works will consist of moving out the 40mph speed limit to allow the new road junction with pavement into the housing development. Also, minor layby, crossing points, drainage, signage and lighting works will be completed.

We will make sure you can always get to and from your homes. Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues. Please note, this does not mean you can pass through any of the closures though.

We apologise in advance for any delays this construction scheme causes and thank you for your cooperation and patience whilst we complete the works.

Delays in work, noise & dust

Our work is sometimes delayed by bad weather or matters outside of our control. We will keep you updated on any changes via the advance warning signs.

There will be some noise & dust, but we will try to keep this to a minimum.

Buses

If you use the bus, it can continue to stop at the existing bus stops, except with the main road closure.

Check with your bus operator to find out if there are any alterations to the service during this roadworks. You can find all the West Sussex operators and their websites listed here: www.essex.gov.uk/roads-and-travel

Bogus callers

We do not do private work. If anyone offers to do private work, please contact the [Citizens Advice](http://www.essex.gov.uk/trading) consumer service on 03454 04 05 06 or visit www.essex.gov.uk/trading.
