Dear Resident,

Construction works to start on Broad Street Green, Heybridge, Essex.

Please be advised that FM Conway, working on behalf of Countryside Properties PLC will be carrying out construction access works along Broad Street Green. Broad Street Green will remain open and access to properties will not be affected by the works.

Works will commence on Monday 29th Sept, during the hours of 08:00-18:00hrs.

Works will be carried out in collaboration with BT to reduce the impact & Programme duration.

Information will be displayed on sign boards at each end of the works. Traffic management will be in place throughout the works.

For information on the larger Westcombe Park scheme please contact:
