Dear Resident,

## **IMPORTANT NOTICE**

We would like to bring to your attention the upcoming west street roundabout improvement works. These works involve footpath construction, storm drainage relocation, roundabout widening, carriageway realignment and asphalt surfacing.

The works are due to commence on the 11<sup>th</sup> July 2016 for a duration of 4 weeks.

After much consideration it has been decided that a proportion of the works will be carried out at night to reduce traffic congestion and further protect the workforce, working hours will be between the hours of 18:30 – 06:30 Monday to Friday.

To limit disturbance and our impact on the environment all construction works that produce excessive noise will be carried out between the hours of 18:30 -23:00.

After the completion of these works the improvements will reduce congestion to the local traffic network.

Can we now take the opportunity to thank you in advance for your co-operation whilst we will endeavour to minimise noise pollution and any inconvenience that these works may cause.

Should you require more details then you can contact me or my colleague between the hours of 8:00am -5:00pm Monday to Friday on the numbers below.

Regards,

Nathan Burrows  
Site Manager T.MICE
